CAPTAINS BLOGG – 21st Oct 2009

Dear Members;

News Not much news at the moment: I'm pleased to see that there are now two new fridges behind the bar, thanks to Higgy and Taff for sorting that out – I won't ask about the dishwasher!! Higgy tells me that there is a function planned for the 30th October, 1200 start to recognise the work that has been completed with refurbishing the bar – there may even be some subsidised drinks – all are welcome to attend.

Competitions Continue to be well supported; I was pleased to present the competition committee proposals for next year's competitions last weekend (after Texas round 2). The changes were favourably received and will be implemented.

Recent winners are:

John Fosters Masters – Dave Kirtley - 66 + 70 = 136 Nett

September Stableford – Ian Matthews on countback from Mark Daniels and Les Welsh – 36 pts

October Stableford – John Evans - 41 pts

Winter Texas Scramble Round 1 – Team B (Steve Barrow, Mick Barrow, Steve Bowen, Baz Wakefield) – 52pts!

Winter Texas Scramble Round 2 – Team B (Dave Stevens, Steve Barrow, Steve Bowen, Baz Wakefield) – 50pts!! Come on guys give the rest of us a chance!

Congratulations to all of the above and a special mention to the Seniors who had an excellent day at The Buckingham recently, coming away with quite a few of the major prizes. Also to Les Welsh, Mark Daniels and John Evans: all three having performed so consistently of late that Ian Matthews felt obliged to implement Rule 19 and chop 'em! Thereby giving some of us lesser mortals a chance to win something.

Club Matches The season has finished with respect to Club matches. From the positive feedback I received at the comps presentation I will continue to arrange matches for next season.

Stop Press Vic Godfrey informs me that he and Martin are working hard to sort out the fees for next year and he intends presenting them within a couple of weeks (probably after one of the next Texas scrambles)

Yours in golf
